

**Panasonic.**

**STREET  
FIGHTER II  
TURBO**

**FZ-SM3851**  
For use with 3DO® systems

### Note

Thank you for purchasing the CD-ROM version of "Super Street Fighter II Turbo" exclusively for use with the 3DO system. Please be sure to read the instructions before you begin.

### Compact Disc Usage Precautions

To open the case, gently press both sides of its top.  
To remove the CD from the case, press the center holder and lift the CD, holding by the edges.

To return the CD to the case, insert the CD with the label facing upward, and press downward at the center.

If the surface is soiled, wipe gently with a soft, damp cloth (dampened with water only). Always move the cloth directly outward from the center of the CD, not in a circular motion.

DO NOT use record cleaning sprays, benzine, thinner, static electricity prevention liquids or any other solvent.  
DO NOT write on the surface of the CD with a ball-point pen or other writing instrument.

Be sure to store CDs in their cases to protect them from dust, scratches, and warping.  
DO NOT place or store CDs in the following places:

- \*Locations exposed to direct sunlight, humid or dusty locations
- \*Locations directly exposed to a heat outlet or heating device

### MEDICAL PRECAUTIONS:

1. Physical activities involving regular repeated movements of the wrists, hands, and/or fingers may possibly cause repetitive stress injury. Such injury may also affect muscles in the arms, wrists, hands, fingers, shoulders and neck, chest and abdomen, and the legs and back.
2. There have been reports that some people may experience epileptic symptoms or even seizures while concentrating on flashing lights. It is possible that persons with no previous epileptic experiences may nevertheless, have an undetected condition. To avoid a possible medical problem, if you have an epileptic condition, consult your physician before playing video games or any other visually intensive software products.

To avoid either of these situations, and as sound practice, if you should use this equipment for an extended period of time, it is suggested that you take periodic breaks of 10-15 minutes each hour. Unit should be used in a brightly lit room. Operating in a close distance to the TV should be avoided.

In any event, stop using the Interactive Multiplayer and consult your physician if you detect involuntary muscle movements (such as twitching), altered vision, mental or visual confusion, convulsions, muscular pain, numbness of fingers, palms or other areas.

## The Control Pad

"Super Street Fighter II Turbo" can be played by one or two players. In the case of two players, connect a second pad to the control port on the 1P pad.

### ●The Control Pad

### X button

Game start: Press to start the game.

Pause function: Press during the game to pause; press again to resume.

Joining In: Press the X button of vacant pad to join in.

Demo cut: Press to bypass demo.

### Directional Pad(D-pad)

Mode selection: Use to make selections at game start, option and player select screens.

Player Control: Use to move forward, back, crouch, jump and block.

### A B C Buttons

Used for kicking (A:Light (Short), B:Medium (Forward), C:Hard (Roundhouse)).

### L P R Buttons

Used for punching (L:Light (Jab), P:Medium (Strong), R:Hard (Fierce)).

\* This button configuration is the initial setting.

The configuration can be altered in the Option Mode. (See page 8.)

## Getting Started

Press the power switch of your 3DO Interactive Multiplayer to turn it on. Open the CD drawer, and set the CD in the drawer label side up. Close the CD drawer. The game demo will automatically begin. Press the X button to bypass the demo.

Select the mode you wish to use with the directional pad from the following, and then press the X button.

SUPER BATTLE	(see page 5)
VERSUS BATTLE	(see page 6)
OPTION	(see page 8)

### Game Speed

There are 3 levels of game speed to choose from.

SLOW

1

3

FAST

### Super Moves

The Super Move Gauge increases each time you do a special move. When it is full, you can enter in special command and unleash a deadly Super Move!

The special moves written in red for each character is the Super Move (see page after 32)

## Super Battle

This is the normal game mode. First, choose your game speed from 3 levels with the directional pad and push the A button to select.

Then choose your character and battle computer opponents for the championship.

The color of your character's clothing will change depending on which button you press.

If you push the P button immediately after the player selection, the key configuration screen will appear.

As in the Option Mode, you will be able to change the buttons to your taste. (see page 8)

## Versus Battle

This mode allows two players to have a series of matches. After the completion of each match, a record of the competition so far will be shown and the player select screen will appear.

Stage select and handicap features are also available.

As in SUPER BATTLE mode, choose your game speed from 3 levels and then select your character. After character selection, HANDICAP screen will appear and allow you to set the following items. Press the P button to switch between the items.

### Handicap

Use the directional pad to change the number of stars.

### Stage Select

Use the directional pad to select a stage.

After you have completed all the settings, press the X button to start the game. When the P button is pressed at the end of the VERSUS battle mode, the VERSUS configuration screen will appear and allow you to choose from the following options:

#### CONTINUE

Return and continue the VERSUS battle

#### EXIT

Exit the VERSUS battle and return to the title screen

#### RESET RECORDS

Reset the competition record.

## Screen Descriptions

### SUPER BATTLE

#### 1) 1P S. ore

The current score of player one

#### 2) 2P S. ore

The current score of player two.

#### 3) High score

The highest score recorded so far.

#### 4) Win mark for 1P

Indicates one round won by player one.

#### 5) Win mark for 2P

Indicates one round won by player two.

#### 6) Health Gauge for 1P

The gauge decreases when player one receives damage.

#### 7) Health Gauge for 2P

The gauge decreases when player two receives damage.

#### 8) KO mark

The mark will flicker when either player loses all his health, thus losing the round.

#### 9) Timer

Shows the time remaining in the current round.

### VERSUS BATTLE

#### 10) Face graphics

The face of the character is shown.

#### 11) Super Move gauge

This gauge increases each time you do a special move or when your opponent blocks a punch kick or special move. When the gauge is full, the Super Move is available.

#### 12) 1P wins

The number of total wins of player one.

#### 13) 1P successive wins

The number of successive wins of player one.

#### 14) 2P wins

The number of total wins of player two.

#### 15) 2P successive wins

The number of successive wins of player two.

**SUPER STREET FIGHTER II TURBO**

## Option Mode

By selecting OPTION on the title screen, the following setting can be changed.

### Difficulty

The computer opponents have 8 levels of difficulty. Use the directional pad to highlight the stars. The more stars you highlight the more difficult the opponents will be to defeat.

### Time limit

The time limit can be turned off.

The timer will be replaced by an infinity mark.

### Key configuration

Each player can assign the buttons A B C L P R to any punch or kick.

For example, if you want to assign Medium Punch to the C button, move the cursor to "Medium Punch" and press the C button.

After you have completed all the settings, press the X button to exit.

## Continuing and joining in

### Continue and Game Over

The game will end and the continue screen will appear (the competition result screen will appear in VERSUS battle mode), when the player loses 2 out of 3 rounds, or when the winner is not decided after 4 rounds.

Pressing the X button before the countdown is zero will continue the game, otherwise any other button will end the countdown and the game.

### Joining In

A second player can join in and fight the first player anytime during the SUPER BATTLE by pressing the X button on the vacant controller.

### Rules

The match consists of 3 rounds, each is limited to 90 seconds. (The time limit can be deactivated in the Option mode.)

The fourth round is the final round and the winner of this round will continue. If a winner is not decided (Double KO or Draw), the game will end.

If a winner is not decided by KO within the time limit, the player with the most health remaining will win the round. (Only when time limit is activated.)

When a player has no more health remaining on his health gauge, he is KO'd.

## Basic Movement

### Directional Pad

When the player is facing right:

## Introduction of characters

# AKUMA

### DEFENSE

By holding back defense on the directional pad, without hitting any buttons, you can block high and low attacks by your opponent. Blocking special moves will decrease the amount of damage that they do by 75%.

### THROWS

By standing very close to your opponent and pressing forward and a button simultaneously, you can throw or grab your opponent.

### SAFE LANDING

By entering THROW command when thrown, you can land safely on the ground.

### DIZZY

When you are dizzy, hit the buttons and move the directional pad as quickly as possible to shake off the dizziness.

SUPER STREET FIGHTER II TURBO

She is only 18 years of age and an undercover agent of the English Secret Service. One day, her team received an order to destroy the kingpin of Shadowlaw. As she approaches Bison surprising facts begin to be revealed.
